CIRCUIT COURT.

Judge Reeves Complimented For Presiding as Judge.

Sentences Passed on Josh Davie and Jordan Baker--Dangerfield Ware Wants a New Trial.

The spring term of circuit court was concluded Saturday morning. The bar adopted the customary resolutions thanking Judge W. L. Reeves for his satisfactory services as special judge. Judge J. L. Landes presided and speeches were made by Joe McCarroll, J. T. Hanberry and John Feland. Judge Reeves responded in a feeling and graceful manner.

Guy Reynolds, charged with complicity in the Coffey murder, was released from jail on a \$500 bond.

Josh Davie, 18 months, and Jordan Baker, one year, were sentenced to the penitentiary.

Joe Springfield, charged with malicious shooting, was fined \$50 on a plea of shooting in sudden heat and passion.

In the big damage case of D. M. Willingham, of Webster county, against Dr. W. W. Ray, superintendent of the Western Asylum for \$25,000, the defendant was ordered to file an answer in ten days. It is charged in the petition that defendant's son Jas. V. Willingham was scalded in a bath given him by other patients on his ward and died from the injuries received.

The motion for a new trial in the case of John Woodruff and Francis Drake, under life sentences for the murder of Special Deputy Sheriff Robt. H. Coffey during the mining troubles at Empire eighteen months ago, was overruled Friday. The defendants' attorneys filed notice of an appeal and were given until June 19 in which to file their bill of exceptions. Execution of sentence is suspended and the prisoners will remain in jail until then.

Motion for bail in the case of Jim Merrica and John Black, co-unders of the same offense, was overruled and these prisoners will remain in jail until their trial.

Dangerfield Ware, who was given a life sentence for the murder of John Tandy near Pembroke, during a colored supper last fall, through his attorneys, filed a motion for a new trial. As Judge Edmundson, the state's attorney, was therefore more familiar with the case, special Judge Reeves continued the appeal until the June term in order that the trial judge might pass upon it.

DROPPED 50 DEGREES.

Mercury Takes a Tumble and Fruit is Damaged.

The government thermometer registered five degrees below the freezing point Friday night, a drop of about 50 degrees in twenty-four hours. Much early vegetation was nipped and fruit growers say that the crop has been badly damaged. Not only was much of it killed, but it is claimed that as a result of the extreme cold, little of the fruit will remain on the trees until ripening time. It is not thought that the wheat was very badly damaged.

EARTHQUAKE SHOCK

Perceptibly Felt By Many People of Hopkinsville.

An earthquake was very perceptibly felt by many persons in this city at 9:50 o'clock Friday night. The shock lasted several seconds and was sufficiently severe to awaken people who had retired. Some persons, on being aroused, thought an explosion had occurred, as windows rattled and houses were shaken, and they were badly frightened.

Local Bankrupt.

Mr. Ira D. Humble filed a petition in bankruptcy. His indebtedness is \$1,500; assets \$1,200.

BARNs BLOWN DOWN,

Many Houses Demolished And Other Damage Done.

Tornado Sweeps Over South Christian and East Trigg County.

Great damage was done in South Christian and East Trigg by a tornado which swept over those sections Friday afternoon. Several barns were blown down, outbuildings and fencing demolished, heavy timber destroyed and ornamental trees and shrubbery ruined.

Mr. L. H. Smithson, of Church Hill, had a large tobacco barn, coal house and several other outbuildings blown down.

Mr. C. S. Coleman, of the same neighborhood, also lost property. His dwelling was partially unroofed, a shed of his barn was blown down, and nearly all his rail fencing was scattered. His timber was badly damaged, and orchard ruined and a number of shade trees were destroyed.

Mr. S. Litchfield, of Church Hill, had a barn blown down. Mr. P. V. Carter also had a barn destroyed. Mr. R. E. Faulkner had a shed of his barn demolished. At Durham several houses were blown down. Some of them were occupied by colored people, but they escaped injury.

Between Pee Dee and Roaring Springs the storm also got in its work and much damage resulted. On the farm of Mr. W. H. Southall, of this city, two tenement houses and a stable were demolished. Much of his fencing was also blown down and his timber was damaged. Mrs. W. H. Jenkins and Mr. Wm. Dawson, of the same country, lost a barn each.

Jack Wiley, col., living on Mr. W. H. Southall's farm, also lost considerable property by the storm.

The path of the tornado was only a few hundred yards wide, but everything was swept clean before it. The storm traveled from Southwest to North-east. About the same time Friday a cyclone struck the 400-foot Tennessee Central trestle, three miles East of Clarksville, completely demolishing the work and entailing a loss which is estimated at \$10,000. Nobody was injured, although a force of men had quit work upon the approach of the storm. It is said that gigantic oak timbers, ties, guard rails, braces, etc., were twisted and broken into splinters.

The storm is reported to have blown down a 250-foot trestle on the Hiatt place, a short distance from the scene of the first named.

DESTROYED BY FIRE.

Old Homestead at Bennettsboro Reduced to Ashes.

The Andy Boyd homestead at Bennettsboro, one of the oldest residences in Christian county, was destroyed by fire about 11 o'clock Friday night. When the flames were discovered the house was ablaze nearly all over and the occupants barely had time to make their escape from the burning building. All of the household effects, including some highly prized jumble were also destroyed. It is not known how the fire originated. The dwelling was occupied by the widow of the late "Uncle Andy" Boyd and other relatives. The loss is estimated at about \$1,000. There was no insurance.

FINE FISH.

String of Eight Trout Caught in Short While.

Some fine fish are being caught in Little River, Meads. M. L. Elb, W. L. Bamberger and Archie Higgins, a few days ago, landed eight trout, aggregating seventeen pounds in weight. Others report some heavy catches.

The West Kentucky Miners and Operators Come to an Agreement.

Louisville, March 30.—There will be no strike among the miners of Western Kentucky. This fact was made clear today. The miners and the operators effected an agreement as to their differences as to the wages which shall be paid the coming year, beginning on the 1st prox. The operators after much parleying agreed to pay an increase of 10 per cent and this offer has been accepted by the miners' representatives. The fact will bring joy to many mining sections in Western Kentucky.

Walks Without Crutches.

I was much afflicted with sciatica, writes Ed. C. Nud, Iowaville, Sedgwick Co., Kan., "going about on crutches and suffering a deal of pain. I was led to try Smith's & Sure Kidney Cure, which I believe me, I used three 50c bottles. It is the greatest liniment I ever used; have recommended it to number of persons," all express themselves as being benefited by it now, was it without crutches able to perform a great deal of light labor on the farm," 25c 50c and \$1.00 at R. Beauty and Strength

Are desirable. You are strong and vigorous, when your blood is pure. Many—nay, most—women fail to properly digest their food, and so become pale, sallow, thin and weak, while the brightness, freshness and beauty of the skin and complexion decay. Reversing this unpleasing state by eating nourishing food, and taking a small dose of Herbine after each meal, to digest what you have eaten. 50c at R. C. Hardwick.

ART OF DOING ONE THING.
Is Too Much Neglected by Many to Attain Success.

"If a natural way of business relies could be made—with names and brief stories attached to the entries—what an interesting exhibit it would be," said a gentleman who has been doing half a century in the china business.

"It is queer too, that a man generally collects his own entries of this kind when he departs from the line of his life-time employment. Looking back over my life, I notice that all my financial losses were brought on by skirmishing around, so to speak, in other men's fields of business talent.

"I haven't any million-dollar hitching posts as dismal memorials of lost big money, but here's a \$500 hatchet," the speaker continued, reaching forward, taking a bright steel hatchet off his desk. "This is a fine steel hatchet; it is 30 years old, too, and has never been used except as a paper weight. That long ago, I went into a small foundry concern, put \$500 into it, tried to run it and my nearly dropped both of them in a financial hole. The steel works went entirely under, and this hatchet is all that I have to show for my \$500."

"There's a nail around here somewhere that goes with this hatchet—one good steel nail—I hope it isn't lost. However, I don't regret the \$500 at all—not a bit. A man gets off easy who spends that amount of money in learning the fine art of minding his own business. Look at that man going by. He's a good dentist—and it cost him \$6,000 to learn that he couldn't run an excisor mill."

BEATING THE TRUST.

How One Small Dealer Got the Big End of the Baton.

When the cigar store combination first began to open stores in New York, says Leslie's Monthly, a dealer in one of the downtown cross streets was approached and asked to set a figure on his business. He did so and at twice the actual value of his establishment. The prospective purchaser set one of his other agents to watch the daily receipts of the man's store for a week. The dealer had prepared for this. Very quickly he had gone around among his friends and arranged with them to buy boxes of cigars and jars of tobacco, by the dozen or case, purchases to be returned at the end of the week, and a bonus given to the purchaser for his trouble. Naturally, the representative of the United Cigar Stores company was much impressed by the stream of purchasers who left the avenue to buy of their favorite dealer, and the sale was effected at the end of the week at the dealer's own figure. For a time the new owners could not understand why business fell so astonishingly after they had taken possession, but when a couple of months went by with no improvement, the true situation dawned upon them, and they closed up the shop.

JOHN Y. TO THE FRONT.

And That Fact Prevented the Judge Making a Successful Speech.

"I had been abroad for three years," said the judge, "and as the people in my native town labored under the idea that I was of some consequence they welcomed me home with a brass band and a dinner. I was about to reply to the address of welcome when the village cooper approached me with extended hand and said:

"So you've got back home, eh? Judge, when you went away I was doing all my own work and had my shop in the woodshed. Now I've brought a horse-barn into a cooper shop and I'm bussing two journeymen and making 50 barrels a week. Don't forget to say that while you've been wasting your time in Europe John Y. Higgins has come right to the front at home."

"My little speech to my fellow-townsmen didn't arouse much enthusiasm," said the judge, "and that cooper was to blame for it. He simply wilted me."—Detroit Free Press.

There are some magnificent mothers in the world to whom maternity gives an added charm, a greater strength. But how few these mothers when compared with the multitude of women who are robbed of charm, weakened and broken down by the burdens of maternity. Motherhood is the highest function of women, and nature meant it to confer the highest joy. Maternity has an entirely new meaning to those for whom it was once only another word for suffering, when they have been made well and strong by the use of Dr. Pierce's Favorite Prescription. It cures the nausea from which many women suffer. It encourages the appetite, tranquillizes the nerves and gives refreshing sleep. It increases the strength and gives great muscular elasticity, making the baby's advance particularly rapid.

"I had hedgehogged bed and winter, while expecting to become a mother," writes Mrs. T. Timmick, of Yorkville, Ill. (Box 180), "that I could not eat anything without it distressed me terribly. I took five bottles of 'Favorite Prescription' and three of 'Golden Medical Discovery' and went through the winter in comfort, and when I came out nothing could be compared with other times. I am now known to be a very remarkable one, not being over-strong and having had four children within less than three years. This was so weak and drab I could hardly drag around. You may judge how well I am now, being entirely alone with my four children, of whom the oldest is four years, and can do all the work. I am happy indeed, for I love children and do not care how many I have if I can be well."

CHANGE OF VENUE

Will be Asked in Howard Case
When Called.

Prisoner Unwilling to Stand Trial
in Franklin County--Lawyers
Afraid of Youtsey's Testimony.

Frankfort, Ky., April 2--When the case of the Commonwealth against Jim Howard, charged with the murder of Wm. Guebel, is called for trial in the Franklin Circuit Court on Tuesday next, his attorney will move the court to grant a change of venue to some adjacent county other than Scott County.

Notice of this determination was served on Commonwealth's Attorney Franklin this morning and he will not agree to it.

It is plainly evident from the action of the attorneys for Howard that they fear the testimony to be given in the case by convict Henry E. Youtsey and that they would rather have Youtsey tell his story in the case of Caleb Powers.

Commonwealth's Attorney Franklin has been here almost constantly for several weeks preparing the case of the State against Howard, and will, when called on Tuesday next, urge that it be tried at this term of court.

Sought.

People will read advertisements about cures made by medicine. As they read they wonder if the statements are true. If true, was the relief temporary or permanent? Read the case about Doan's Kidney Pills.

W. H. Clark, of Bennett street, accountant at the Block Bros. Tobacco Works, Wheeling, W. Va., says "I get back aches & know what will cure 'em. Doan's Kidney Pills is the best remedy ever came across. For months I was plagued with backache, not sharp pains, but a dull aching all the time. It made me feel miserable. I took a glass of Doan's Kidney Pills from doctor and it seemed to relieve me for the time, but it was soon as bad as ever. Hearing of Doan's Kidney Pills, I took a course of treatment. They cured me, and that cure has been lasting. I will corroborate this personal interview or in reply to any communication mailed to me."

Cincinnati, O., April 1--Col. Jack Chinn, of Harrodsburg, Ky., met Theodore Hallam, of Covington, Ky., in front of the Gibson House here last night, and pouncing on him struck at and slapped him several times. Bystanders interfered, saving Hallam from further punishment.

Col. Chinn explained that Hallam started the story that he shot Gov. Goebel, and that he resolved to punish Hallam on their first meeting.

Both men are ex Confederates and both have reputations for courage, but no further trouble is expected, as Hallam will probably avoid Chinn.

COUNTERFEIT NOTES.

More Spurious Money Discovered
In Circulation.

The Secret Service has announced the discovery of two counterfeit notes. One is a five-dollar silver certificate of the series of 1899, and is poorly executed, etched on thin, soft paper, no attempt having been made to imitate the silk fibers of the genuine. The other is a five-dollar national bank note, reading "United States, the Citizens' International Bank, New York, pay to the bearer on demand \$5." It bears a portrait of Garfield. The seal appears to be that of some secret order.

Grip Remedies in Great Demand.

When colds and grip are prevalent the quickest and surest remedies are in great demand. Mr. Joseph D. Williams of McDuff, Va., says that he was cured of a very severe grip by Chamberlain's Cough Remedy, taken all danger well avoided. Among the tens of thousands who have used this remedy for these diseases we have yet to learn of a single case having resulted in pneumonia, which shows conclusively that it is a most effective preventive of that dangerous disease. It will cure a cold or an attack of the grip in less time than any other treatment. It is pleasant and safe to take. For sale by C. K. Wyly, druggist.

ELIGIBILITY OPINION.

"If a political party fails to nominate a candidate who is eligible to office that party must bear the burden."

Ohio cities will hold municipal elections today. The chief interest centers in the mayoralty races of Cleveland, Cincinnati and Toledo.

Mr. Webb C. Bell paid his fee of \$400 on the 3rd last, and is in the primary election to a finish. He is confident of winning the nomination for Railroad Commissioner.

Now that Col. Mott Ayers has hit Clem Whittemore with a spittoon and Col. Jack Chin has knocked off Theodore Hallam's hat we are waiting in breathless silence to see what desperate deed our own Colonel on the staff will do.

Murray Hubbard, Secretary of the Railroad Commission, has been promised the place of Assistant Secretary of State under McCallum. This change will make an opening for Clem Huggins, of Louisville, for Secretary of the Railroad Commission, if the machine wins.

Col. Jack Chin has no doubt greatly injured the prospects of his son, Morgan, who is running for a place on the Democratic ticket, by his fight with Theodore Hallam, which was followed by other disgraceful escapades, including a fight with Cincinnati constables, in which Col. Chin was relieved of his famous weapon. Not only has he injured Morgan's chances of success, but his experience in Cincinnati has lowered the popular estimate of his own personal prowess. Col. Chin was recently in this county electioneering for his son and Gov. Beckham.

THE ROWING GREVOLT.

The uprising against machine rule in the Democratic party is assuming resistless proportions. Election Commissioner Chas. B. Poynett has come out in a letter advising Beckham to save the party by quitting a contest that can only do harm. As Clerk of the Court of Appeals, Sam Shackelford, is also against Beckham the machine has by losing Charlie Poynett lost control of the appointment of the county election boards. The primary election case has also been reopened at Frankfort by the filing of a petition for a new trial.

These evidences of active opposition to the machine are supplemented by the exposure of inhuman treatment of patients in the Lake land Asylum, which is causing the eyes of the whole state to be again directed to the unsavory character of Beckhamism in the State. These troubles have grown so frequent and so severe that both The Times and Courier Journal have begun to publish the facts. One case, that of Fayette George of Frankfort, is said to have caused the death of the man kicked and beaten, and legislation is unable to result from it. The knowledge that mismanagement and official unfitness are not confined to the Western Asylum, is having its effect all over the State. Col. Hendrick has at last secured a

Hall's family Pills are the best.

All Humors

Are impure matters which the skin, liver, kidneys and other organs can not take in without help, there is much an accumulation of them. They litter the whole system. Pimples, boils, cestoma and other eruptions, loss of appetite, that tired feeling, bilious turns, fits of indigestion, dull headaches and many other troubles are due to them.

Hood's Sarsaparilla and Pills

Remove all humors, overcome all their effects, strengthen, tone and invigorate the whole system.

"I had salt rheum on my hands so that I could not hold my food's newspaper and it drove out the humor," I continued. "It use till the salt rheum disappeared." Mrs. Ira O. Brown, Benton Falls, Me.

Hood's Sarsaparilla promises to cure and keeps the promise.

Health in Louisville and prominent Democrats will look after his organization there. The people who are not in the shadow of the machine will not all be controlled by the bosses.

Out in the state Beckham is losing strength everywhere. The certainty of a contest if he should be re-elected, is causing his best friends to hesitate. In no district out in the State—not even his own—is he certain of a majority. Several papers in his own district are opposing him and the opposition is growing stronger every day. The shady character of the Calhoun contract has set people to thinking seriously and the bold statement by Col. Hendrick, backed by the itemized figures, that the grafts paid Beckham's friends from the treasury now amount to something like \$100,000 and more to follow, has created consternation. The doom of the gang is sealed. The people when aroused are invincible. They will be aroused and Hendrick will win.

HAYS SHOULD WIN.

Hon. N. B. Hays, of Pineview, spoke at the court house Saturday and presented strong claims to the Democratic nomination for attorney general. Mr. Hays was a candidate four years ago and made a good fight. His speech was strong and convincing. An exchange very wisely says of his appeal: "Mr. Hays is the logical candidate, measuring up to the requirements of the office in every particular. He is proving to the Democrats outside of the Eleventh district that the Eleventh has rights in common with other sections of the state and that no district in the state has true supporters of party principles and party nominees than the Eleventh—the cut-off of four or five districts made so to make others safe. We desire to say that Mr. Hays is not missing the mark in his speeches. He is calling attention that the Eleventh is part of the state, that the 17,000 Democrats within its borders are not whooping for the Democratic party for policy but for principle, and that they are a part of the brotherhood contending for the principles of a true Democracy without the fear of punishment or the hope of reward. It is evident that the Eleventh is a potent factor in a state election for it has voted enough to save the state in any close contest and yet the Democrats who have heretofore asked nominations from the party have been overthrown by the ambition and strength of stronger districts. Time has come when the party should not measure a man wholly by his surroundings. It is of worth to the party and to the state that every section should be represented and inevitably lead to weakness and not to strength. The Eleventh does not seek to dictate. It has never conceded its claims on the party but we ask recognition. We know Mr. Hays. We know him to be an able man and a true Democrat and as a matter of justice to the Democrats of this District he should have the nomination. In this section we are all for him. No day has ever been too cold, no night too warm nor so precinct too remote for him to shun when called upon. He is a gallant, game, able Democrat worthy of the honor he seeks.

Democrat remember your duty to the mountain man."

Mr. Hays will no doubt carry Christian county. The Democrats here recognize the claims of the only mountain man seeking a place

on the ticket and also believe Mr. Hays to be the best man offering for attorney general.

JUST WAIT.

Gov. Beckham and his little "machine" have run up against an obstacle that has completely demolished their air cattle, and set them to wondering "where are we at now?" Was there ever such an exhibition of pure gall and egotism, as was shown by these political tricksters in trying to make use of the highest court of the State to join a man on the Democratic party that the great mass of the party have decided they do not want Beckham. But just wait till John Hendrick and the Democratic voters get through with them on the 9th of May, and Mr. Beckham will need a large size microscope to find the fragments of his little boy by four machine.—Marshall Democrat.

Saves Two From Death.

Our little daughter had an almost fatal attack of whooping cough and bronchitis," writes Mrs. W. K. Haviland, of Armond, N. Y., "but, when all other remedies failed, we saved her life with Dr. King's New Discovery. Our niece, who had consumption in an advanced stage, also used this wonderful medicine and to-day she is perfectly well." Desperate throat and lung diseases yield to Dr. King's New Discovery as to no other medicine on earth. Infallible for Coughs and Colds. 50c and \$1.00 bottles guaranteed by R. C. Hardwick. Trial bottles free.

EDITOR KENTUCKIAN:—

As I have been urged by so many of my friends to enter into the Ugly Man Contest, I will certainly expect a hearty support, as I know I am the ugliest man in the race. The ladies say of me: "He is a good fellow, but Oh! my, he is so mortal ugly." So now you see I am just that much ahead, for I know they will give me a good vote.

You will find enclosed my photo. When all your readers see it I know the votes will all be cast for me. I think I broke the camera, for I heard the photographer say: "There! I was afraid that would happen." Any one wishing my photo can see one at the Kentucky office. Please save all your votes for your ugly friend,

Young Plants

Every farmer knows that some plants grow better than others. Soil may be the same and seed may seem the same but some plants are weak and others strong.

And that's the way with children. They are like young plants. Same food, same home, same care but some grow big and strong while others stay small and weak.

Scott's Emulsion offers an easy way out of the difficulty. Child weakness often means starvation, not because of lack of food, but because the food does not feed.

Scott's Emulsion really feeds the child growing strength.

Whatever the cause of weakness and failure to grow—Scott's Emulsion seems to find it and set the matter right.

JOHN HENDRICK

Always Voted the Straight Democratic Ticket.

Lexington, Ky., March 26.—The Hon. John K. Hendrick has issued the following letter, which he mailed to the Lexington Democrat:

"Frankfort, Ky., March 25.—Editor Daily Democrat, Lexington, Ky.—I have just noticed in your paper an article to the effect that I voted for Palmer and Buckner in 1896 and for Hindman against Shackelford for Clerk of the Court of Appeals in 1897. I do not know from what source you have obtained your information, but I desire to say emphatically, and once for all, that whoever says or publishes that I voted for either of the persons indicated, perpetrates an infamous and inexcusable lie. I have never in my life scratched the regular Democratic ticket or voted for any one else other than the regular Democratic nominee."

COOK LEADERS

Hold a Conference in Paducah Saturday.

Christian County Represented by Mr. Hunter Wood, Sr., of This City.

The Paducah News Democrat says a conference of Judge Thos. P. Cook's "managers" was held in that city Saturday night. Those in attendance were L. Y. Woodruff and John Keys, of Murray, editor and publisher of the Murray Ledger; Mark Boughner, county chairman of Lyon county, and ex Revenue Collector Hunter Wood, former master commissioner of Christian county. The presence of the Trigg county representatives could not be confirmed.

John Keys said the gentlemen merely "happened" to be in town at the same time and held a conference to canvass the situation.

WEBB C. BELL

A Candidate For Railroad Commissioner.

Neither of the three Democratic candidates for Railroad Commissioner of the First District of Kentucky is better or more favorably known to the people than Webb C. Bell of Christian county, who has authorized the Mirror, to state that he is a candidate to succeed the present incumbent to the above named office, subject to the action of the Democratic primary, May 9, 1903.

Although comparatively a young man, yet his twenty years occupation as a constant traveler over the railroads and highways of every section of Kentucky, it is manifestly evident, that, combined with his other admirable, manly and capable business and commercial characteristics, he is fitted and qualified in a very high degree to render the public and weal a most satisfactory and acceptable service in the discharge of the multifarious duties pertaining to the trust.

Webb Bell is one of that type of Democrats who is rooted and grounded in the belief that all power of civil government inheres in the people and that all questions should be derogated to those seeking to be economically and equitably governed and legislated for according to the truism that such measures shall prevail as will produce the greatest good for the greatest number. Such is the platform upon which Mr. Bell is prosecuting his race, with bright prospects of securing the nomination. He is a Democrat without flaw or blemish, a man of bright honor and high integrity, a Christian gentleman of whom none but praiseworthy words have ever been spoken at home or abroad, a man upon whom the Democracy may confer the honor, confident that it will be well and deservedly bestowed. —Mayfield Mirror.

BUSH AND COOK

Again Made Day Speeches Here Yesterday.

Judges Bush and Cook wound up their first week's appointments in this county at Crofton Saturday night. Their audiences in North Christian were small, as the weather was inclement.

They spoke here yesterday, Judge Cook leading off. The speeches were about the same as made at Wallonia, Murray and other places. But little opposition was manifested to Bush judging by the applause. One of the Beckman colonels was on hand, spilling for Cook, but did not throw any spittoons at Judge Bush while he was speaking or even attempt to gouge out his eyes.

The speaking will be resumed at Lanttrip's tomorrow.

ABOUT PAINTING!

SPRING TIME Reminds Us Of PAINTING

Nature does most of her painting at this season. She prefers green, but if you like some other color better we guarantee we've got it. We've got it ready-mixed and the lead and oil for you to mix it. In ready-mixed we sell the paint that has been sold here for 26 years and never a single complaint made of it. That's the

Sherwin & Williams Company's Paint.

It covers more surface than any other paint and lasts longer and looks better. That's why it is still sold here in such large quantities. Half car load a year. Have cheaper paints if that's what you're looking for. Bound to please you in one way or the other.
